## District 33 2018 Little League Rules Clinic

Helping young people develop character, discipline and teamwork while maintaining physical and emotional well being through Little League Baseball.

Each of them need you to know the rules of Little League.

This clinic is designed to provide an understanding and in-depth knowledge of the rules for Little League Baseball. We have formatted the clinics in a way that will benefit all managers, coaches, umpires, Board Members and parents. **If you only attend one clinic, this is one clinic to attend.** We will review rules in depth to prepare you for the upcoming season. Many rules have changed going into 2018. These changes will impact how the game is played.

### Clinic Location

**Friday, February 23, 2018**

Orleck Heights District Office  
10323 Orleck Street Drive  
San Diego, CA 92124
