## 2017 ALL STAR TOURNAMENT GUIDELINES

1. All managers must carry their tournament team eligibility packet with them to each game. The complete packet must be handed in to the tournament site director 90 minutes prior to the first game. **It is the responsibility of each manager to retrieve their affidavit packet at the conclusion of each game. The site director is not responsible for affidavits left over night.**
2. All managers must have a current signed original medical release form for each player on their tournament team in their possession at all times. If a condition is listed the player must have the needed medications (unexpired) with them.
3. Each team manager will report to the tournament site director on the field at least 60 minutes before game time. The site director will provide each team manager blank copies of the District line-up card to use during check-in. This is the only line-up card that can be used.
4. Home team will be determined by the flip of a coin at least sixty (60) minutes prior to game time. The tournament director will pick a representative for the coin flip for any team that has not arrived on time. The home team will utilize the first base dugout and the visitor will occupy the third base dugout.
5. Only those listed on the affidavit are allowed on the field at any time. Temporary replacement of a manager or coach on a game-by-game basis is possible (for a justifiable reason) with prior approval from the Tournament Director.
6. Photographers and news personnel may be on the playing field with authorization from the Tournament Director and concurrence of the Umpire-in Chief of the game.
7. In order to take the field, one copy of the completed line-up card and the tournament announcement sheet must be turned in to the Site Director.
8. The tournament site director or the umpire in chief will review ground rules at the plate meeting. All ground rules for that site must be in writing.
9. All Managers and Coaches shall not wear tank tops, or flip flops while on the field. Coaches must wear Khaki style shorts (Dockers style) or slacks. They can be any color but no "sports shorts". A conventional baseball hat must be worn by managers and coaches during games. A visor is not a hat. Only appropriate attire will be allowed.
10. One Adult Manager or Coach must remain in the dugout at all times. Dugout order and safety is the responsibility of the adult in the dugout. Failure to maintain a safe environment will result in removal of that adult. Managers and Coaches will not act as bat boys.
11. No artificial noise makers are allowed.
12. **DUGOUTS SUPPLIES:** Only water/sports drinks will be permitted in the dugout during the game. Seeds, food, gum or soda is not permitted in the dugouts or fields. Water will be supplied in the dugout if requested.
